Paragon

Emmerson Kitney are proud to be partnering Paragon HDX Ltd on their latest recruitment drive!

Paragon HDX Ltd specialise in providing software for the transport industry to customers around the world such as Argos, IKEA, Laura Ashley and Wickes. Established in 1980 Paragon provide advanced routing and scheduling, home delivery and proof of delivery software solutions from offices in the UK and US.

They are now looking to increase their software development team by bringing in 3 graduate .Net Developers to join their Hull based office. Martin Parker who heads up this function wants intelligent, enthusiastic and switched on individuals to join their experienced development team. With over ten years experience at Paragon, Martin is very passionate about their products and wants to ensure he brings in like-minded individuals.

Paragon have a relaxed culture and will give you the support and challenges you need to develop your skills You will be joining a dynamic team where every single person is important and everyone's ideas are welcome. They want you to look forward to coming to work: they are open and friendly, and make time for social activities with monthly events arranged by their Paragon social club.

This is an exciting opportunity for people looking at their first commercial role in software development or who have been working within a development role and are looking for a new challenge. They provide an excellent opportunity for individuals who want to progress, be customer facing and be Microsoft accredited.

Please apply by following the directions on the website, alternatively for more information and a full outline of the role, call Sam Horton on 01482 628808.

JUNIOR .NET DEVELOPERS

Salary up to £21,000 + Benefits

You will be responsible for:

- ✦ A BSc or equivalent
- ✦ Experience with Microsoft.Net framework
- ✦ An understanding of the software development lifecycle
- ✦ The ability to work creatively and analytically in a problem solving environment
- ✦ The ability to communicate effectively with other members of the team
- You to be self-motivated with the ability to work autonomously

Applicants will preferably have an understanding of:

- ✦ XML / JSON
- ✦ MVC
- ✦ WCF
- ✦ Microsoft SQL Server or equivalent RDBMS
- ✦ Javascript / jQuery

Salary of up to 21,000 per annum, with guaranteed increments as you pass your Microsoft exams, 22 days holiday and rising to 25 plus bank holidays, 5% pension with minimum of 3% contribution from employee, life assurance, private health care and free parking. They also have a profit related bonus in place.

Emmerson Kitney recruit for Sales & Marketing, Engineering and IT roles at all levels throughout the region. If this role is not suitable for you we would be happy to have an informal chat regarding any future opportunities.

While we will endeavour to respond to every applicant personally, on occasion this is not always possible, therefore, if you have not heard
